

## AFFORDABLE HOUSING SURVEY Please print out this form and when completed send to Odyssey

Odyssey Community provides independent community housing for local people operating through a MILFORD VILLAGE TRUST. The proposed homes will be dedicated to people living and working in Milford-on-Sea, and are instrumental in sustaining the community; because it enables local people to remain living here. This helps local shops and facilities to flourish.

The VILLAGE TRUST controls the housing for the village on behalf of the village. The Trust is directly accountable to the Parish Council. The Trust receives 5% of the rent from every property to provide money for local projects. It is for the people of the village, through the VILLAGE TRUST, to decide how the money is spent.
