Aim of Milford-on-Sea Parish Council Grants Policy

The aim of the Parish Council's Grants Scheme is to promote an active community in Milford-on-Sea. The Parish Council recognises and supports the valuable contribution made by the voluntary sector to the well-being of the community. We provide financial support for community organisations working for the benefit of Milford-on-Sea parishioners, with the intention of improving the range of services and activities in the village.

The wording of Grants and Donations covers monetary funding.

Grants for consideration should be submitted to the Parish Council at least eight (8) working days prior to the date of the meeting. Meeting dates are available from the Parish Council's website: www.milfordonsea.org.uk

Who can apply for a grant?

Below, examples are given of types of organisations to which grants may be given:

- Charitable Organisations
- Youth/Senior Citizen Groups
- Sports Clubs and Arts Groups
- Advice Organisations
- Organisations assisting the Disabled
- Community Groups

The scheme provides start-up grants for new organisations as well as grants to existing organisations. The organisation must be based in Milford-on-Sea or the surrounding area, and must be able to demonstrate that it benefits a significant number of people living in Milford-on-Sea and how.

For what can grants be used?

Grants can be used for capital projects (e.g. lasting assets) or for running costs. Examples of what grants might support include:

- Equipment
- Development
- Projects
- Publicity

How much grant is available?

Only one application from any group or organisation will be considered by the Parish Council in any financial year. The Parish Council maintains a register of successful applicants to prevent multiple awards each year. The total amount of grants made in any one year will be restricted to the amounts set out in the Parish Council's annual budget under Sections 137 and 145 of the Local Government Act 1972.

The Council gives variable grants. Although there is no maximum limit set on the amount that can be applied for, the annual grants budget is limited and it is important that all questions on the application

form are answered as fully as possible to provide a detailed picture of the activities of your organisation within the town.

Because this fund is for projects that will benefit Milford-on-Sea parish residents, there are some cases where we are not able to provide grants, including:

- General appeals (e.g. national/international disasters)
- National organisations without a locally based group
- Individuals (e.g. sponsorship for individual sportsmen and women)
- To 'branches' that could be funded by their main organisation
- Commercial enterprises which aim to generate a profit
- Projects with party political links
- projects which discriminate on the grounds of age, colour, impairment, marital status, lifestyle and culture, nationality, race, gender or sexuality, or on the grounds of economic or social status.
- Services which should be provided by statutory funding
- Projects considered being the responsibility of the principal authority
- For buildings that are uninsured
